The SilverHorn Golf Club of Texas has earned the
reputation as the best upscale daily fee golf course in
San Antonio, ranked among the “Top 25 Courses in
Texas” by the Dallas Morning News & “Places to Play” by
Golf Digest. SilverHorn is also considered one of the
most challenging layouts in San Antonio.

The distinct Hill Country character of SilverHorn can be
credited to designer Randy Heckenkemper. SilverHorn’s
tree-lined fairways, strategic use of sand and water, and
beautifully framed, contoured greens make this par 72
course a treasured Hill Country experience long
remembered.
